 **Patrick Van Hoesen** You're barking up the wrong tree. You sure have no problem giving your opinion when its convenient for you but you have yet to answer a single question I've publicly asked you on more posts than i can count. Your opinion is irrelevant to me and either you stfu and back off or i can block your ass.. your choice

A halt on new marshal recruits has been ordered. A national review is underway.

Please spread the word and share this around. Its effective immediately.

Bella : I fully respect you and fully support you. And I put forward evidence with my financial support.

If the above is true, then why would I stab you in the back if I am heavily investing in your success ?
