It is a fact that: I am a natural born State Citizen of the Massachusetts Republic, in its constitutional capacity, as one of the several states of the Union. And I am an inhabitant thereof.

It is a fact that: That my birth certificate is proof that I am a State Citizens.

It is a fact that: That I am not a United States citizen, resident, person, individual or any other legal fiction, nor have I ever been.

It is a fact that: I explicitly reserve all of my rights always and forevermore.

It is a fact that: That the United States, with intent and great deception, uses the term "United States citizen", to deprive the people of their rights, their birth rights, their property and freedom. And further, to relegate the status of the people, to that of livestock.

I owe you nothing nor do you have any jurisdiction over me. Your constant unceasing letters from you and your satellite departments that harass, threatens, attempts at coercion, scare tactics, stalking and all other actions are depriving me of our right to tranquility guaranteed by the preamble of, and the rest of the constitution for the United States of America. You are violating the RICO laws, stocking laws, mail fraud laws, depriving rights under color of law as well as the common law and the constitution. Your actions are also acts of treason and tyranny.

I ORDER YOU TO CEASE AND DESIST ALL ACTIVITIES AGAINST ME!

Toni Lynn Chester
