June 27<sup>th</sup>, 2016

**COMANCHE COUNTY DISTRICT COURT**

Michael Scott Townsend #1311081  
3001 Emily Drive  
Beeville, Tx. 78102

The following documents were requested and delivered: Contents of file. Afterwards a second request was made for the Index of the file, Presentment of Indictments, and Setting Letter for Indictments, an Index record of exhibits, and a Caption which are being delivered today (6/27/16). Also requested were Officer Robert Jolly's medical record for removal of pellets, and any autopsy report, which I do not have any of these documents. However I did have Exhibits #20-22 (photos) concerning Officer Jolly's injuries among the Stored Exhibits, and supplied copies to Defendant.

The Judge in this case was the Honorable James E. Morgan (now Retired) and the District Attorney was B.J. Shepherd.

Respectfully,  
Brenda Dickey, District Clerk
