Hi Dominique,

To 3D Print the part in ABS Plastic is approximately \$35 and to do a higher-resolution resin is about \$135.

Best Regards,

Miles Guidon | Project Manager

Hi Dominique,

Thanks for contacting us! I'm following up to request a 3D Model file for further analysis and a price quote for either ABS Plastic 3D Printing or SLA Resin 3D Printing

Best Regards,

Hi Dominique,

Thanks for giving us a call! Please use this support ticket as your main line of contact with us. From here you can communicate via email to send us files, ask technical questions, request order and tracking updates, etc.

Here is the information we have recorded from your phone request:

Phone Number: 714-747-4477

Project Deadline (if any):

Notes:

- Looking to get a Marshall's badge prototype 3D Print made in high-resolution SLA resin material
- Customer can supply 3D Model file
- This badge will be a prototype to test fit before going in to mass manufacturing 9 million badges
- Customer would like to get a quote for an SLA 3D Print as well as a metal piece (2 separate quotes)

Please respond to this ticket to add information to your request.

Best Regards,

Fiona Colette | Customer Service
