JEFFREY P. COLWELL
CLERK

THE UNITED STATES OF AMERICA et. al.	§	
	§	BY _____ DEP. CLK KS
Claimants,	§	Case # 17-cv-00253 17-cv-01046-KMT
v.	§	Writ of Habeas Corpus
	§	
UNITED STATES (incorporated) et. al.	§	
Defendants.	§	

COMES NOW THE COURT to consider the Habeas Corpus and release of Bruce Allan Doucette from Denver Downtown Detention Center, Denver County, Colorado.

DISCUSSION

Release is lawful:

1. None of the black robed wo/men proclaiming to be ‘judges’ in Colorado have a valid oath of office as required by the Colorado Constitution 1876.
2. **18 U.S. Code § 4001 - Limitation on detention; control of prisons**
(a) No citizen shall be imprisoned or otherwise detained by the United States except pursuant to an Act of Congress. Defendants have provided no Act of Congress for continued imprisonment of Bruce Doucette. Absent such evidence, release of Doucette is needed.
3. Defendants have provided statutes by which they purport to charge Doucette but said statutes are foreign to Doucette.
4. COCCA 18. § 17-104(3) also refers to ‘person’ as do most the statutes of Colorado. The Defendants have not stated how the codes apply particularly to Doucette. The codes are foreign to Doucette.
5. **THE SUPREME COURT AND COURTS RULE PERSONS ARE THE GOVERNMENT.** Doucette is not part of the government nor an employee of it so the term person does not apply nor do the codes that apply to persons.

6. "The people, or sovereign are not bound by general words in statutes, restrictive of prerogative right, title or interest, unless expressly named. Acts of limitation do not bind the King or the people. The people have been ceded all the rights of the King, the former sovereign ... It is a maxim of the common law, that when an act is made for the common good and to prevent injury, the King shall be bound, though not named, but when a statute is general and prerogative right would be divested or taken from the King (or the People) he shall not be bound." *The People v. Herkimer*, 4 Cowen (NY) 345, 348 (1825)
7. All public officials know or should have known the people are not subject to corporate policy or statutes for persons in the United States.
8. Defendants have not produced a valid arrest warrant, with the seal of the court.
9. **Colorado Constitution Article II Bill of Rights Section 7. Security of person and property searches seizures warrants. The people shall be secure in their persons, papers, homes and effects, from unreasonable searches and seizures; and no warrant to search any place or seize any person or things shall issue without describing the place to be searched, or the person or thing to be seized, as near as may be, nor without probable cause, supported by oath or affirmation reduced to writing.** Doucette was not secure in his papers, home, effects, unreasonable search and seizure.
10. Coffman and Shapiro have no jurisdiction over Doucette.
11. Doucette is not a flight risk, a career criminal, nor is he a danger to the public. Doucette is a superior court justice for the united States of America, not to be confused with the United States¹.
12. Defendants have failed to produce evidence of defendants jurisdiction over Doucette and have so far done nothing but commit more crimes against Doucette for having held defendants accountable for having failed to produce evidence of having taken and filed a valid oath of office nor having produce evidence of having filed a bond prior to filling the office in which each has taken.

Accordingly, it is

THE ORDER OF THIS COURT that the sheriff of Denver County Detention Center with haste, immediately release from his custody Bruce Allen Doucette.

FURTHER THE COURT HEREBY ORDERS all parties are hereby invited to present just cause within 3 days why this order is invalid.

FURTHER THE COURT HEREBY ORDERS that the Sheriff's failure to immediately release Bruce Allen Doucette will result in contempt of this court of record and he will be held in contempt, without motion or hearing.

WITNESS THE SEAL OF THE COURT, this 5th day of May, 2017.
