## Dis. Officer Folley testimony:

- 1) It is hear-say due to a lack of evid.
- 2) Broken chain of custody (to the pellets). No evidence exist. The only evidence is a ~~black~~ testimony of Folley and a picture "He claimed; A doctor at Community Hosp. Took out one pellet and he (Folley) took out the other several days/weeks later. but n of them were entered into custody!"

P.S. The vignette to my case is I am doing 10. ~~years~~ 40 yrs for a class A misdemeanor. That is all the evidence supports!
